Re: Petition of the Office of Regulatory Staff for a Declaratory Order Against
Stan Brown d/b/a Water Head, LLC, Requiring Certification as a Water
Utility and the Posting of a Performance Bond
Docket No. 2007-64-WS

Dear Mr. Terreni:

On June 27, 2007, the parties to this docket filed a settlement agreement with the Public Service Commission (Commission), and the Commission set a settlement hearing for August 9, 2007.

The parties have consented to modifying some of the dates and deadlines contained in the original agreement. Pursuant to paragraph eight of the settlement agreement, which states the dates and deadlines in the agreement may only be moved or changed in writing and by mutual consent of the parties, the Office of Regulatory Staff (ORS), with the consent of Mr. Brown, requests the following modifications.

ORS and Mr. Brown consent to removing the language in paragraph two which states "to be completed by September 30, 2007."

Additionally, in paragraph four, the parties consent to adjust the dates listed for various actions by Mr. Brown. The parties seek to modify the dates as follows:

- Applicant shall file the Notice of Intent by August 15, 2007;
- Applicant shall submit a copy of his proposed application and supporting documents to ORS by August 31, 2007;
- Applicant shall file his application with the Commission by September 17, 2007.

Please accept the original of this letter for filing and return the copy enclosed to me in the envelope provided. Thank you for your assistance in this matter. If further information is needed, please do not hesitate to let me know.

Sincerely,

A handwritten signature in cursive script that reads "Shealy Boland Reibold".
